

Boomerang Bag Directions

Thank you for sewing some bags!!

1. You should have the following for each bag: 1 rectangle, 1 or 2 handles.
2. If fabric is wrinkled-iron it, it will make it easier to sew.
3. Put "right sides" together and sew side seams. 1/4 or 1/2 inch seams zigzag edges if possible.
4. Sew bottom gusset. See drawing below
5. Sew handles- see photo & directions at right. Feel free to shorten the handles.
6. One handle should be placed side seam to opposite side.
7. Zigzag or use pinking shears to finish upper hem. Sew or zig zag around top of bag fold down 1 1/2"
8. Place handles as shown under folded top hem and sew around top of bag reinforcing at the handles Flip handles up, then stitch around the top of the bag, reinforcing at the handles.
9. Turn bag right side out, trim all loose threads

You're finished!

Watch on YouTube!
 (Many instructional videos are available and are pretty close to these instructions!)
 Type in Boomerang Bag videos

The body of the bag is @18" x 36" folded in half. (Our fabric varies in sizes)

Handles 20-22" long 5" wide If there is one handle it may be as long as you would like it.

To make handles, press flat, fold in half the long way and press it, zig zag or serge the edge. Or sew right sides together and turn it inside out.

Fold top including strap down 1 1/2". Pin strap up. Stitch all around top of bag.

Place the ends of the handles under folded hem, flip handle up, pin then stitch around the top of bag. Reinforce at handles. See white stitches above.

Take-n-Sew Kit

Help eliminate single use plastic bags

Directions and fabric to make bags inside.

- *use them over and over just like a Boomerang*
- *return finished bags to where you picked up the kit*
- * give them away!*
